About Examination

Bachelor of Architecture (B.Arch)

NATA + JEE paper (II)

This examination is based on drawing, aptitude and mathematics.

Bachelor of Design (B.Des) / Master of Design (M.Des)

These exams are conducted in three stages.

DAT - Design Aptitude Test

In this first stage student's aptitude sense and creative thinking is analysed.

Studio Test

In this second stage student is given some material and asked to create a 3D structure. Here your creative thinking ability, time management and aesthetic sense is analysed.

Portfolio

In this stage student has to present his drawing assignments. Then student is interviewed by the jury.

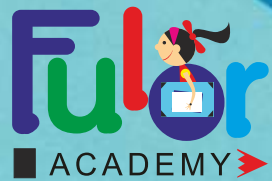

Why? to join us

Fulor has developed a system of design education and related entrance exams, which lays more emphasis on learning than on mere instructions. The institute has made it a point to lay emphasis on learning and to pursue innovative development of the mind and skills of designers.

Our special techniques & methods train you to use **LEFT (Logical)** **RIGHT (Creative)** sides of the brain simultaneously to be successful in creative domain.

Fulor is the only design academy in central India with strong fundamentals in teaching and expert faculty in design and art education.
